

“What We Are to the World” Sharing the State of the Heart

Reflection Questions:

In these challenging times, we commit ourselves to a path of transformation with one another and our world community. Let us pray with and reflect on the following.

- ❖ What causes our hearts to ache? Individually and communally

- ❖ Where might we need to create more significant connections to impact our work for the mission?

- ❖ What do we need to be doing with our lives at this moment in the history of our congregation?

- ❖ What story portrays the heart and soul of our congregation for you?

Closing Examen

Ostinato Refrain

A list-ning heart give us, O Lord, that we may al-ways hear your voice;

a list-ning heart give us, O Lord, that we may al-ways fol-low you.

Given our sharing during this day with one another –

- ❖ What did you hear?
- ❖ What are you feeling?
- ❖ What insight or learning do you take away from this day?
- ❖ What question/s is rising up in you?
